May 2 - 3, 2009

Heritage Room

at Bachman's on Lyndale

TO: All Exhibitors
RE: Advance Preparations Before Show Day

The Show is to be held at Bachman's Lyndale Store, 6010 Lyndale Ave S, Minneapolis, MN. Contact a member of the show committee for directions to unload materials. The Heritage Room will be available for staging on Friday, May 1, from 4-7:30 PM and Saturday, May 2, from 6:30-10 AM. Judging begins at 10:00 AM.

Exhibitors are urged to read the Show Schedule carefully, including the Rules section, before preparing Show Entry Cards. Advance preparation of Cards will enable you to place your entries quickly and correctly. Cards will be available at the March members' meeting of the Daffodil Society of Minnesota.

Cut bloom stems at least one day in advance, keeping them in water in a cool place. Before combining daffodils with other flowers for artistic designs, keep daffodils separately in cool water for 12-16 hours; then use fresh water in design containers. Label blooms as you cut them in the garden, writing the names on the stems with a pen (a 'Sharpie' works well). Early blooming cultivars can be cut and held for two weeks or longer in a non frost-free refrigerator. Maintain high moisture content by placing a damp towel in the bottom of the refrigerator, or by misting the blooms daily. Be sure all blooms are free of dirt and pollen in the cup before placing them on the show table.

- Class 226** Three stems, one cultivar, Division 11
- Class 227** Collection of five different cultivars, one stem each (See Rule 5)

SECTION P: CONTAINER-GROWN DAFFODILS - (See Rule 3)

Blooms are to be grown in and exhibited in their container or pot. All bulbs in any one container shall be of the same cultivar or species. No bloom or exhibit in this section shall be eligible for any ADS award other than the *ADS Container-Grown Ribbons*.

- Class 228** Standard daffodils - named cultivars or seedlings (no species).
- Class 229** Miniature daffodils - named cultivars or seedlings (no species).
- Class 230** Species and species hybrid daffodils, standard or miniature.

SECTION S: SEEDLINGS - To be exhibited by originator only (See Rule 10)

- Class 272** One stem of a standard seedling
- Class 273** One stem of a miniature seedling
- Class 274** Three stems, one standard seedling
- Class 275** Collection of five different seedlings, one stem each (See Rule 5)

SECTION C: STANDARD DAFFODIL COLLECTIONS

COLOR COLLECTIONS - five different cultivars, one stem each

- Class 244** Yellow perianth, yellow cup daffodils
- Class 245** Yellow perianth, pink in cup daffodils
- Class 246** White daffodils
- Class 247** Daffodils with orange/red in cup
- Class 248** Daffodils with pink in cup
- Class 249** Reverse bicolor daffodils (*Eligible for ADS Maroon Ribbon*)
- Class 250** Bicolor daffodils: white perianth, yellow cup
- Class 251** White perianth, cup rimmed with yellow

SECTION C: STANDARD DAFFODIL COLLECTIONS (continued)

COUNTRY COLLECTIONS - five different cultivars, one stem each

- Class 252** Cultivars bred in Australia
- Class 253** Cultivars bred in New Zealand
- Class 254** Cultivars bred in Northern Ireland or Ireland
- Class 255** Cultivars bred in England
- Class 256** Cultivars bred in USA (*Eligible for ADS Red-White-Blue Ribbon*)
- Class 257** Cultivars bred in Latvia
- Class 258** Cultivars bred in any other single country

LARGER COLLECTIONS

- Class 259** Twelve different cultivars or species, one stem each, from at least four RHS Divisions (*Eligible for ADS Bozievich Ribbon*)
- Class 260** Fifteen cultivars, one stem each, from fifteen different RHS color code classifications (*Eligible for ADS Throckmorton Ribbon*)
- Class 261** Twelve different cultivars from divisions 5 through 10, one stem each, from at least three RHS Divisions (*Eligible for ADS Havens Ribbon*)
- Class 262** Twenty-four different cultivars or species, one stem each, from at least five RHS Divisions (*first-time winners receive Carey E. Quinn medal; subsequent wins, the Quinn Ribbon*)
- Class 263** Three stems each of twelve different cultivars or species, from at least three RHS Divisions
- Class 264** The Decade Collection: one stem each from seven different decades, decades begin with 0 and end in 9 (*Eligible for DSM Perspective Award*)

SECTION M: MINIATURE DAFFODIL COLLECTIONS - (See Rules 5 and 7)

- Class 265** Five different stems, from one or more divisions
- Class 266** Five stems, each a different cultivar (no species)
- Class 267** Five stems, each from a different division

- Class 284** Three groups of 3 stems each, each group a different color combination

GENERAL RULES: HORTICULTURAL & ARTISTIC EXHIBITORS

1. Exhibits may be entered from 6:30-10:00 a.m. on Saturday, May 2nd. Exhibits may not be removed prior to the close of the show on Sunday, May 3rd, at 4:00 p.m., but must be removed by 5:00 p.m. Preparation workspace will be available.
2. Each exhibit must have a properly filled in Show Entry Card. Each exhibitor is responsible for his/her own show entries.
3. Any information on a Show Entry Card, which could compromise the anonymity of an exhibitor, must be concealed during judging.
4. Exhibits may not be changed, altered, relabeled, substituted or removed after judging has begun or after an award has been placed.

RULES FOR HORTICULTURAL EXHIBITORS

1. All classes in the Horticultural Division are open to anyone who grows daffodils, except where otherwise limited.
2. An exhibitor may make as many entries as desired in any class, provided each entry is a different cultivar or species or an entirely different collection of cultivars and/or species.
3. An exhibitor must have grown all blooms in the Horticultural Division in the open. Miniatures, species and container-grown daffodils may be grown in protected areas.
4. Entry cards, wedging material and staging tubes will be provided. No daffodil foliage is permitted except in Section P.
5. All collections of five stems or more must be exhibited with each stem in a separate staging tube. Each cultivar or species must be labeled with name, division and color code. In addition, name of originator is required for Classes 252-258 and 268. Exhibitors must provide their own labels. The type of collection, for example, "White Collection" or "English Collection," is required but individual cultivar names are not required on the Show Entry Card.
6. Single-stem and three-stem entries for one cultivar or species must correctly list name, division and color code on the Show Entry Card. Entries that are not named, or are incorrectly named, will not be judged except in Sections U and G.
7. Miniature daffodils named in the most recent ADS approved List of Miniatures, with any official additions thereto, may be shown only in the classes for miniatures. Any named or numbered diminutive daffodil that appears graceful, with all of its parts proportionately small, may be entered in miniature classes. Judges may decline to judge an unofficial miniature if, in their opinion, it is too large to be considered a miniature. However, Historic Miniatures that are no longer on the ADS approved List may be entered as Miniatures in Historic Section H.
8. An intermediate daffodil is a standard daffodil in divisions 1, 2, 3, 4, or 11, having a single floret whose diameter is typically between 1.5 and 3 inches (50-80mm). Intermediate daffodils may be entered in all classes for standard daffodils, as well as Section I. If an intermediate is entered in a standard class, the exhibitor must add a colored straw, available from the show committee, which will signal it for consideration for the ADS Intermediate Ribbon.
9. Historic daffodils are daffodils originated before 1940. Blooms of historic daffodils may be shown in all classes for named cultivars as well as Section H. Section H requires year of origination as well as cultivar name, division and color code on the Show Entry Card.
10. Blooms of seedlings may be shown in all classes for named cultivars. Seedlings shown by the originator require seedling number, division, color code and parentage, if known. Seedlings shown by others additionally require the originator's name.

11. Only one First, one Second, and one Third Ribbon may be awarded in each class. Honorable Mention Ribbons may also be awarded if merited, but only if First, Second, or Third Ribbons have been awarded. First, Second, Third and Honorable Mention Ribbons may be withheld by the judges if, in their opinion, the exhibit is not worthy.
12. The show committee reserves the right to subdivide classes when there are three or more worthy exhibits of the same cultivar or color codes, and if a sufficient number of worthy exhibits is left in the class. Species may be subdivided by their botanical sections.
13. The Royal Horticultural Society System of Classification will be used. Labeling authority for division, color code, year and originator is *Daffodils to Show and Grow*, as amended annually in the December *ADS Journal* and supplemented by the ADS Daffodil Data Bank.
14. Color and Color Zone Definitions: The words "pink cup," for example, describe daffodils where that color is solid, 2 W-P, or present in two adjacent zones, 2 W-GPP or 2 W-PPY. The words "pink in cup" include daffodils with one or more cup zones of pink. The words "rimmed with pink" describe daffodils with pink only on the outer cup zone. "Colored" is any color other than white. "Predominantly" means the same color in at least two adjacent zones. A "reverse bicolor" has a predominantly colored perianth and a predominantly white cup.
15. Each stem in an exhibit receiving an ADS Award must score at least 90 on the appropriate ADS Scale of Points. However, if a Blue ribbon (First) has been awarded in a class eligible for an ADS Award, the judges may not withhold the ADS Award.
16. The decision of the judges is final. If an error is discovered in an exhibit after completion of judging, any award placed thereon shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the class must be rejudged.

- 6 **Ronald McDonald** (hot color daffodils dominate - yellow, orange, red)
- 7 **AFLAC duck** (water feature)
- 8 **Tony the Tiger** (orange and yellow daffodils dominate) (*Youth or Amateur only*)

RULES FOR ARTISTIC EXHIBITORS (*See General Rules for all show exhibitors*)

1. Exhibitors do not have to grow the daffodils used in their designs. Exhibitors may use flowers provided by others and many extra daffodils will be available for design use in the show prep area. Call the Show Chairman to request specific colors, quantities or sizes.
2. Anyone may enter but may make only one entry in each class. Each design must be wholly the work of the exhibitor.
3. Each design must feature daffodils as the dominant plant material. No artificial plant or plant-like material is permitted. Names of daffodils, if known, should be listed on the Show Entry Card.
4. Containers and accessories should be marked with name and address of the exhibitor. The Daffodil Society of Minnesota will take reasonable care but cannot be held responsible for loss or damage to personal property during the show.
5. Mats, bases, accessories and backgrounds may be used in all classes. The exhibitor must provide support for any background used with a design.
6. Exhibitors may enter designs in only one of three categories:
 "Amateur," defined as an exhibitor who has won not more than five blue ribbons (cumulative) in the Artistic and/or Design sections of flower shows;
 "Youth," defined as an exhibitor 18 years old or younger; or
 "Open," a category that anyone may enter.
7. Exhibitors must enter **A, Y, or O** in the Section area of the Show Entry Card, and place their designs in the appropriate area of the show tables.
8. Only one First, one Second and one Third Ribbon may be awarded in each class. Honorable Mention Ribbons may also be given if merited. The best artistic design (Grand Champion) will be awarded the "Julius J. Wadekamper Award." A Reserve Champion Ribbon will also be awarded.
9. If the number of entries so warrant, and at the discretion of the Show Committee, classes may be subdivided by category of exhibitor.
10. Decisions of the judges are final. Blank cards will be provided for judges to write comments for each exhibit.
